PRISM Learning Community: Virtual Learning Session #6
Adolescent Mental Health during COVID-19

Date: Tuesday, August 25th, 2020
Time: 2 pm – 3 pm ET

Session Objectives:
- Recount the challenges COVID-19 has created for youth mental health including educational, interpersonal, and health-related disruptions.
- Examine one successful program and lessons learned to support youth released from a detention center through an enhanced medical home model that emphasizes mental health and wellbeing.
- Describe two strategies that state health officials can implement to support and advocate for youth and adolescents with mental health needs.

1:50 pm
